Prayer is essential because it is the first and foremost Christian discipline to become a Spirit-filled disciple of Jesus Christ.

Acts 2:1-4 show how powerfully a prayer group experienced the presence of the Holy Spirit “When the day of Pentecost came, they were all together in one place...All of them were filled with the Holy Spirit and began to speak in other tongues as the Spirit enabled them.”

You can spend some private time praying at home, but praying together is a way to experience the power of the Holy Spirit. We welcome prayer warriors to have a prayer fellowship and to experience the works of the Holy Spirit together.
